

Clear Skin Collection

Product | Clear Skin Serum 

Skin Edit | Combo, Oily, Blemish Prone

This simple yet effective formula of anti-inflammatory and antimicrobial ingredients combined with Willow Bark extract helps to eradicate blemishes. Wild Turmeric inhibits oil production reducing oily shine. Tea Tree and Lemongrass oils purify pores and minimize their appearance resulting in a clearer and calmer complexion.

Directions | Apply a thin layer to skin.

Ingredients | Aqua (Water), Glycerin, Xanthan Gum, Curcuma Wenyujin (Wild Turmeric) Rhizome Oil, Methylpropanediol, 4-Terpineol, Cymbopogon Schoenanthus (Lemongrass) Oil, Salicylic Acid, Salix Alba (Willow) Bark Extract, Melaleuca Alternifolia (Tea Tree) Oil, Sodium Benzoate, Phenoxyethanol, Ethylhexylglycerin

KEY INGREDIENTS

- **Salicylic Acid:** a Beta Hydroxy Acid (BHA) with anti-inflammatory and exfoliating benefits. This acid penetrates pores helping to keep them clear of debris while simultaneously balancing oil production. It is commonly used for the correction of blemishes and psoriasis.
- **Willow Bark Extract:** a strong anti-inflammatory, this calming botanical helps to soothe irritated skin and reduce redness. It is often infused into anti-blemish treatments to reduce inflammation associated with acne.
- **Tea Tree Oil:** anti-fungal, anti-bacterial and antiseptic properties; soothes inflammation.
- **Turmeric:** stimulates a natural glow in the complexion and helps to boost collagen production while controlling shine.
- **Lemongrass Oil:** clarifies the skin and minimizes the appearance of pores.

Fun Fact | The golden Ayurvedic spice, Turmeric, is a potent antioxidant and has been both ingested and used as a topical beauty aid for thousands of years in India.
