

Clear Skin Collection

Product | Clear Skin Cleanser 

Skin Edit | Combo, Oily, Blemish Prone

This powerful but mild wash blends the anti-inflammatory benefits of Tea Tree oil with the antibacterial properties of Willow Bark extract. The gentle foaming agent does not cause dryness while Pentavitin® helps maintain moisture in often over-processed blemished skin. Perfect for teens and adults with oily skin, this cleanser removes oil and dirt from clogged pores resulting in reduced breakouts. Irritation is calmed and oil is balanced for a clearer, more even complexion.

Directions | Use a small amount with water to lather onto skin. Rinse well and pat dry.

Ingredients | Aqua (Water), Sodium Lauroyl Methyl Isethionate, Cocamidopropyl Betaine, Polysorbate 20, Sodium Methyl Oleoyl Taurate, Lauryl Glucoside, Coco-Glucoside, Saccharide Isomerate (Pentavitin®), Methylpropanediol, 4-Terpineol, Salicylic Acid, Salix Alba (Willow) Bark Extract, Melaleuca Alternifolia (Tea Tree) Oil, Citrus Limon (Lemon) Peel Oil, Citric Acid, Sodium Citrate, Phenoxyethanol, Ethylhexylglycerin

KEY INGREDIENTS

- **Salicylic Acid:** a Beta Hydroxy Acid (BHA) with anti-inflammatory and exfoliating benefits. This acid penetrates pores helping to keep them clear of debris while simultaneously balancing oil production. It is commonly used for the correction of blemishes and psoriasis.
- **Pentavitin®** : a natural saccharide that hydrates for up to 72 hours.
- **Willow Bark Extract:** a strong anti-inflammatory, this calming botanical helps to soothe irritated skin and reduce redness. It is often infused into anti-blemish treatments to reduce inflammation associated with acne.
- **Tea Tree Oil:** anti-fungal, anti-bacterial and antiseptic properties; soothes inflammation.

Fun Fact | Tea Tree Oil comes from the Melaleuca tree that grows in Australia and the oil is used to help with everything from acne to athlete's foot due to its effective anti-microbial properties.
