by IntegraDerm

Be the  
**best version**  
of you.

## ID SKIN - The Foundation for Beautiful Skin.

ID Skin products have been developed with one goal in mind: Quality. Formulated by pharmaceutical professionals and tested by physicians, we use only results-oriented, quality ingredients at the proper concentrations to give your skin the best that science has to offer. All products are made in the USA in small, custom batches with attention to detail.

ID Skin by Integraderm can help improve common problems of all skin types and offers a full range of products. Each Collection features key actives with technologically advanced ingredients and botanicals to maximize results.

Providing products to professional estheticians for more than 20 years, we are dedicated to the support and growth of the skin care professional. ID Skin by Integraderm is an exclusive product and information resource for physicians, estheticians and spa professionals seeking a results-oriented, scientific approach to regenerating the skin of their patients and clients.

**Our products make in office and home care regimens  
exceptional performers.**

Naturally Transform the Look of Lips and Lashes with Botanical Extracts and Ceramides that Take Voluptuousness to the Next Level.

## Simple | Uncomplicated | Pure Skincare for all skin types

**The Agewell Collection** is gentle, yet packed with active ingredients. This collection is designed to be used by all skin types and perfect for aging prevention. Infused with traditional medical ingredients (AHA and BHA) this collection also takes advantage of natural botanicals to reap the benefits of both worlds.

### PURITY CLEANSER RX | All Skin Types

A mild, gel-based multi-functional cleanser: deeply cleanses, removes makeup that tones and tightens skin, and mildly exfoliates surface cells. Non-drying or irritating, it contains light alpha and beta hydroxy acids and natural botanicals.

*Use morning and evening.*

### GENTLE CREAM CLEANSER RX | Normal, Sensitive or Dry/Mature Skin

A creamy mild, non-soap based hydrating facial cleanser containing soothing botanicals. Ideal for normal, sensitive, dry or mature skin. Also removes eye makeup.

*Use morning and evening.*

### GENTLE CLEANSING BAR RX | Normal, Sensitive or Dry/Mature Skin

This ultra-gentle "soapless" cleansing bar is formulated for hyper-sensitive skin and is also recommended for use after any laser or deep peel treatment. Coconut and Safflower oils naturally protect and lubricate the skin while Oat Protein locks in moisture supporting the skin's barrier function.

*Use morning and evening or as directed following procedures.*

### PURITY TONER WITH GREEN TEA RX | All Skin Types

This "all-in-one" toner is the perfect solution for post cleanse and pre-treatment. Astringent Witch Hazel purifies while Hyaluronic Acid draws moisture into skin and Green Tea provides antioxidant properties. Myrrh oil helps put an end to flakes and irritation while Ceramides improve skin's barrier function supporting its natural repair activity.

*Apply to clean skin with a cotton pad.*

### CITRUS SCRUB RX | Oily, Combination, Normal

This refreshing and astringent botanical scrub uses jojoba particles and mild fruit acids to buff away impurities, black heads and dead cells, leaving a smooth surface with diminished oil. Also use as a exfoliation for a portrait-perfect base for makeup.

*Shake well before use. Apply quarter size amount of scrub to clean skin, add water and gently massage in a circular motion. Rinse well and pat dry.*

### GENTLE ENZYME RX | Normal, Dry, Sensitive

This mild fruit based enzyme gently removes dry, dead and flaky skin from the surface to reveal a fresh, healthy complexion. Enzyme action works without harsh particles or scrubbing and is therefore perfect for sensitive and fragile skin as well as post-treatment application. May be used as a peel for sensitive skin.

*Apply a thin layer to clean skin, leave on for up to 10 minutes and remove with warm water. Avoid eyes and lips.*

### MAGIC EYES RX | All Skin Types

A deeply hydrating eye gel that combines Liquid Oxygen and LED crystals, creating a diffusing effect, diminishing imperfections resulting in immediate reduction of visible lines and wrinkles. This gel is a magical mixture!

*Apply a very small amount to under eye area in the evening for maximum hydration. Can be applied post makeup for light diffusion.*

### REPAIR GEL RX | All Skin Types

This softly whipped creamy gel moisturizer hydrates and calms fussy skin. Aloe, Cucumber, and Calendula

extracts soothe while Shea butter and Vitamin E facilitate healing and calm skin irritations. A favorite for many years!

*Use morning and evening.*

### AGEWELL SERUM RX | All Skin Types, Anti-aging and Acne

This is a gentle retinol formulation containing three important forms of Vitamin A: Retinol, Retinyl Palmitate, and Hydroxypinacolone Retinoate. This trio is a highly effective anti-wrinkle solution especially for those who do not tolerate the drying effect of prescription Retin-A. Fast results show firmer, more resilient skin and an improvement in the appearance of fine lines and wrinkles.

*Apply to clean skin at night.*

### SCREEN SAVER SERUM RX | All Skin Types

Protect your skin from damage due to Blue Light, which is 10% of the sun's rays and emitted from your electronics (TV, smart phone, and computer). This serum is packed with antioxidants such as Vitamins C and E that ward off the negative effects of Blue Light and help to decrease photo-aging and is infused with a Red Algae that offers holistic protection against skin damage caused by Blue Light. This serum supports an even-toned, firm, and healthy complexion.

*Use morning and evening.*

## Improved Skin Radiance | Visible clarity

### Skincare for all skin types

Our **Bright Skin Collection** is designed to supplement other Collections. Containing Vitamin C, Glycolic acid and other brightening botanicals, these products are an anti-aging workhorse to exfoliate, resurface and brighten dull skin.

#### GLYCOLIC GEL CLEANSER RX | All Skin Types, Anti-aging

Exfoliates, improves skin freshness, and enhances complexion with 10% Glycolic Acid and Grapefruit Peel oil. This foaming gel cleanser deep cleans without stripping natural oils. Vitamin A stimulates regeneration while Coconut and Sunflower Seed oils lock in moisture. This cleanser is the foundation of any anti-aging regimen.

*Use a small amount with water to lather onto skin. Rinse well and pat dry.*

#### GLYCOLIC TONER RX | All Skin Types, Anti-aging

Treat overexposed skin with this multi-functional antiaging elixir. Glycolic Acid chemically exfoliates helping to improve the appearance of skin tone and texture. Detoskin™ from Peony detoxifies and rejuvenates the skin and promotes a youthful glow. Bilberry extract delivers strong antioxidants. Luscious Lemon and Orange intermingled with Maple Sugar delivers Vitamin C while acting as natural exfoliants.

*Apply to clean skin with a cotton pad.*

#### DERMAL C 20% SERUM RX | All Skin Types, Anti-aging

Considered a super-star antioxidant, Vitamin C fights off free radicals, slows down the aging process, and even reverses the signs of aging. This product contains 20% Vitamin C and is an intensive, professional strength Vitamin C treatment with added, Green Tea, Glucosamine and Grape Seed extract. The result is smoother, firmer, plumper skin

with diminished visible lines, and a healthy, radiant glow.

*Apply a thin layer to clean skin in the morning.*

#### VITA C EMULSION RX | All Skin Types, Especially Sensitive

Light weight and hydrating emulsion containing Liposomal Vitamins C, along with Ceramides and Hyaluronic Acid. Especially appropriate for mature skin types to combat dehydration, or for those who cannot tolerate a higher strength Vitamin C serum but still need the antioxidant benefits. Luxuriously moisturizing and elegant feel.

*Use morning and evening.*

#### VITAMIN C, B, E & FERULIC ACID RX | All Skin Types, Anti-aging

An antioxidant boost for your skin. This potent serum is armed with a powerful blend of Vitamins C, B, and E super-charged with Ferulic Acid, which increases its free radical fighting ability. This concentrated blend boosts the skin's natural defense against damaging oxidation caused by pollution, toxins, and other environmental stressors. A synergistic super serum that works on multiple levels to ensure brighter, firmer, and more supple skin.

*Apply a thin layer to clean skin in the morning.*

#### CLARITY BRIGHTENING SERUM RX | All Skin Types, Anti-aging

This hydroquinone-free brightening

serum contains 7 powerful ingredients and promotes even skin tone by helping to suppress the appearance of dark spots. This serum blends Arbutin and Kojic Acid with Vitamins B3 and C and Brightenyl® as well as powerful plant extracts Peony and Licorice Root. Perfect for use while on a "HQ Holiday" or for those who do not want to use a Hydroquinone product.

*Apply a thin layer to clean skin.*

#### GLYCOLIC 10% CREAM RX | All Skin Types, Anti-aging

This resurfacing cream contains 10% Glycolic Acid helping to deeply moisturize and exfoliate. A unique blend of Passionflower, Pineapple, Grape, and Lemon extracts enhances the removal of dead cells while delivering antioxidants that protect against the effects of environmental exposure and aging. Regular use revitalizes, refines, diminishes clogged pores and reduces the appearance of fine lines and wrinkles.

*Apply to clean skin at bedtime. If using serums, apply serum first followed by night cream.*

## Formulated for blemished, combination and oily skin

**The Clear Skin Collection** is formulated with blemish fighting actives combined with powerful calming botanicals to reduce irritation and eradicate conditions that cause and exacerbate blemishes. The end result is a reduction oily appearance and pure, clear skin.

### **CLEAR SKIN CLEANSER** RX | Oily, Combination, Blemished

This gentle but active foaming cleanser, blends the anti-inflammatory benefits of Tea Tree oil with the antibacterial properties of Willow Bark extract. The gentle foaming agent does not cause dryness while Pentavitin® helps maintain moisture in often overprocessed blemished skin. Perfect for teens and adults with oily skin, this cleanser removes oil and dirt from clogged pores resulting in reduced breakouts.

*Use morning and evening.*

### **REPAIR BAR** RX | All Skin Types, Especially Problem Skin

Salicylic acid and resorcinol provide mild desquamation of cellular debris in this soapless bar. Also contains coconut oil, lecithin, safflower oil and soybean protein to help soothe blemishes, rashes and other irritations. Skin is soft, smooth, toned and less irritable after use. This product has a signature licorice scent and a dedicated following for more than 20 years.

*Use water to lather and apply to face. Can let sit on skin for up to 10 minutes, then rinse. Use morning and evening.*

### **CLEAR SKIN TONER WITH AHA & BHA** RX | Normal, Oily, Combination, Blemished

This blemish treatment contains Glycolic Acid (AHA) combined with Salicylic Acid and willow bark extract (BHAs). Witch Hazel delivers astringent benefits and Blue and Sacred Lotus Flower extracts support balanced oil production minimizing the appearance of pores. Use this toner as a part of a blemish

reduction system that helps clear and maintain healthy skin and as an anti-aging treatment for oily skin types.

*Apply to clean skin with a cotton pad 1-3 times daily to affected areas*

### **CLEAR SKIN SERUM** RX | Normal, Oily, Combination, Blemished

This simple, yet effective formula of anti-inflammatory, anti-microbial and anti-bacterial ingredients combined with Salicylic Acid and Willow Bark extract, helps to eradicate blemishes. Wild Turmeric reduces oily shine while Tea Tree and Lemongrass purify pores and minimize their appearance. continued use.

*Apply to clean skin once or twice daily.*

### **CLEAR SKIN SPOT TREATMENT** RX | Normal, Oily Skin, Teenage Skin

This fast acting, effective spot treatment helps to banish blemishes overnight. Zinc Oxide works to simultaneously calm irritation while working as an astringent, balancing oil production. Sulfur and Salicylic Acid help to unclog pores and rid skin of blemish causing bacteria. Cooling Camphor keeps skin calm and clear.

*Do not shake. Nightly, dip a cotton tipped swab into the pink sediment. Touch swab to blemished areas of the skin. Allow to dry and remain on skin overnight. Rinse off in the morning.*

### **CLEAR SKIN MASK** RX | Oily, Combination, Normal, Blemished

Kaolin and Bentonite clay mask containing Salicylic acid and Willow Bark extract is designed for acne-prone, oily skin. Lemongrass and aloe soothe inflammation. Leaves skin looking soothed, clear, and radiant.

*Apply a thin layer to clean skin for 5-10 minutes. With warm water, lather and rinse off mask. Use 1-3 times weekly.*

### **BLUE TANSY MOISTURIZER** RX | Oily, Combination, Normal, Blemished

This comforting lightweight daily moisturizer soothes skin. Blue Tansy helps to clear congested pores and reduce redness while emollient Squalane from Olives calms over-sensitized skin. Sodium Hyaluronate and Aloe draw moisture deep into tissue reducing the visible signs of aging. Leaves challenged complexion with a healthy radiance.

*Apply a thin layer to clean skin.*

## Formulated for correction and prevention of aging skin

**The Anti-aging Collection** – Active treatment products focused on skin transformation. This collection is designed to deliver results.

### LIQUID OXYGEN MIST RX | All Skin Types

Perfluorodecalin and Cucumber extract form a super oxygenating and hydrating duo that deliver a surge of nourishment and moisture to dry skin. Ceramides improve skin's barrier function supporting its natural repair activity. Sodium PCA draws moisture into the skin while it soothes and smooths skin texture. Its restorative properties make it an effective spritz for use post laser or peel treatments.

*Spray on clean skin as needed for moisture.*

### VITA A PRO RX | Normal, Oily, Combination, Anti-aging and Blemished

This product contains Retinol, the active form of Vitamin A; clinically proven to reduce fine lines and wrinkling. This serum also helps modulate oil secretions, re-vascularize skin, and is a powerful anti-oxidant. An important product in blemish control. This formula is more than double in strength of most retail versions.

*Apply to clean skin at night.*

### HA SERUM WITH PEPTIDES RX | All Skin Types

This unique Hyaluronic Acid-based serum is designed to boost skin moisture, without contributing to oil. This product also contains peptides that boost collagen production, Niacinamide and Vitamin B5. The water-based vehicle is oil-free, fragrance-free and non-comedogenic, appropriate for use under make-up, sunscreen or moisturizer, or as a light-weight moisturizer for combination/oily skin.

*Apply to clean skin 1 or 2 times per*

*day as needed for moisture.*

### MOISTURE INTENSIVE SERUM RX | Dry, Sensitive

Light, non-greasy lipid barrier for softening surface skin and helping to protect natural moisture. Rapid penetration allows immediate moisture enhancement. A perfect choice for lubricating post-surgical and hypersensitive aging skin.

*Apply to clean skin one or two times per day or as needed for moisture.*

### HYDRAGEL SERUM RX | All Skin Types, Anti-aging and Acne

This skin renewal product hydrates while exfoliating with a poly AHA 12% combination of Glycolic and Lactic Acids. Marine Algae increases cell turnover and elasticity, and moisturizes the skin. Used in combination with other serums, it helps to increase absorption of active ingredients. The combination of AHA's is extremely effective, yet gentle enough for many sensitive skin types.

*Apply a thin layer to clean skin morning and evening.*

### COPPER PEPTIDE EYE CREAM

Copper-bonded Peptides in conjunction with Haloxyl™ boost elastin production and promote firming in the delicate under-eye area. Caffeine reduces puffiness while Vitamin K and Arbutin brighten eyes by addressing both hyperpigmentation and extended capillaries that lead to dark circles. Phospholipids lock in moisture and help strengthen the skin's barrier function creating lustrous peepers.

*On dry, clean skin, apply a pea size amount under eyes dabbing gently until it is fully absorbed before applying other skincare products or makeup.*

### MOISTURE MASK RX | All Skin Types

Purify and hydrate dull, tired skin with this creamy kaolin-based mask. Kaolin clay improves circulation, reduces inflammation and gently removes dead skin and toxins, encouraging natural regeneration. A nourishing blend of Aloe, Hyaluronic Acid, Jojoba Seed Oil and Squalene provide extra moisture and protects the skin from visible signs of aging.

*Apply to clean skin for 8-10 minutes 1-3 times per week. Use warm water to lather and rinse. Pat dry.*

## Premium quality products

### Powerful anti-aging benefits

The Platinum Collection is a premium quality, highly effective anti-aging line using AHA blends, peptides, growth factors and retinols to transform dull and lifeless skin. From exfoliation to regeneration this series of products will help combat fine lines, wrinkles and other signs of aging.

#### RADIANCE CLEANSING OIL RX | All Skin Types, Dry, Mature

This is our pore-cleansing makeup-removing foaming cleansing oil. Silky-smooth, lightweight formula visibly melts away dirt, oil & makeup. Contains nourishing oils including Hemp Seed, Argan, Jojoba, Marula, and Tamanu Oils along with a number of essential oils.

*Massage thoroughly onto dry face in circular motions. Wet hands & keep massaging to emulsify. Rinse.*

#### ENZYME POLISH RX | All Skin Types

Polishes with gentle sudsing beads. Gentle fruit enzymes denature "glue" that hold dead cells together. Use of this product allows nutrients, serums and moisture to be delivered more efficiently.

*Use 3 times per week.*

#### REGENERATING SERUM WITH GROWTH FACTORS RX | All Skin Types, Anti-aging

Regular use of Growth Factor serum will revitalize, refine, and assist in the repair of skin, while greatly reducing clogged pores and dead skin, and keeping it smooth, soothed, and properly moisturized. Pair this product with Exfoliating Enzyme mask for a super regenerating effect.

*Apply to clean skin. Use daily for maximum benefits.*

#### SKIN TIGHT SERUM RX | All Skin Types, Anti-aging

Instant tightening and firming of lines and pores, while lifting thin, loose skin and softening depth of wrinkles. This multi-peptide serum creates a smooth finish to skin that is immediately visible, leaving skin healthy and glowing with long-term anti-wrinkle benefits from continuous usage.

*Apply to clean skin in the morning.*

#### TIMELESS MOISTURE RX | All Skin Types, Dry, Mature

Premium moisturizer with deep hydrating and global anti-aging properties. Pentavitin® is a natural saccharide that hydrates for up to 72 hours while Vitamin C helps to promote collagen formation and tighten skin. This product effectively moisturizes and nourishes without being oily.

*Apply daily to clean skin for moisture. May be applied over serums.*

#### TIMELESS FACE OIL RX | All Skin Types, Dry, Mature

This decadent blend of botanical oils nourishes skin for a plump, dewy finish. Norwegian Kelp and Sea Fennel provide trace minerals essential for optimum skin health and vibrancy. Volufiline™ (Zhi Mu Root extract) increases skin density and youthful volumn. Timeless beauty is your reward with daily use of this multifaceted facial treatment.

*Apply face oil in place of moisturizer (or after), as the last step in your skincare regimen.*

#### EXFOLIATING ENZYME MASK RX | All Skin Types, Environmentally Damaged, Mature

This product is an enzyme exfoliator plus skin tightening and rejuvenating Retinol complex. Natural enzymes denature proteins of surface dead cells with an accelerator of Lactic and Glycolic Acids. Retinol stimulates new elastin and collagen formation while Green Tea is a potent antioxidant. Instant results for amazingly smooth, firm, soft and glowing skin.

*Apply a thin layer to clean skin for 5-10 minutes. Gently rinse with warm*

*water. Use 1 to 3 times per week, as tolerated.*

#### ULTRA PEPTIDE EYE CREAM RX | All Skin Types

Highly active, moisturizing and deeply penetrating peptide combination. Stimulates collagen production and reduces wrinkles significantly after 12 weeks of treatment. Includes botanical actives that have been clinically shown to reduce the appearance of dark circles and puffiness around the eyes. Improves skin smoothness, texture, and microcirculation in the skin.

*Apply a pea-size amount morning and evening to upper and lower eye area.*

#### CORRECTIVE EYE SERUM RX | All Skin Types

A brightening combination of science and nature helps illuminate the eyes. Diminish pigmentation under eyes while simultaneously stimulating collagen production. Sodium Hyaluronate adds additional moisture. This firming eye serum will leave the eye area soft and hydrated while fine lines and dark circles are diminished.

*Apply to clean skin under eyes dabbing gently until it is fully absorbed.*

#### NECK AND DÉCOLLETÉ FIRMING CREAM RX | All Skin Types

Tone and sculpt the delicate skin on the neck and décolleté with this age defying moisturizing cream. This luxurious cream is formulated to reshape and tighten your skin using 5 technologically advanced firming ingredients.

*Apply a thin layer onto clean skin and massage in an upwards motion. For best results, use once or twice daily.*

## Crafted using carefully chosen organic botanicals to capture the nourishing properties of plants

The **Organic+ Collection** is designed as a stand alone collection of our most natural products- natural actives, antioxidants and vitamins.

### WILD PLUM TONER RX | All Skin Types

Sustainably sourced indigenous plums from Australia are the stars of this Wild Plum Toner. Kakadu, Illawarra, and Burdekin Plums high in Vitamin C and Iron oxygenate and refresh the look and feel of fatigued skin. Mineral-rich Sea Water, Botanical Hyaluronic Acid, and Snow Mushroom nourish and replenish moisture as Watermelon and Blueberry Leaf stimulate cellular rejuvenation. Soothes and brightens reviving the appearance of lackluster skin.

**Apply to clean skin with a cotton pad, use any time of the day for extra moisture.**

### GOJI BERRY KOMBUCHA CLEANSER RX | All Skin Types

A powerhouse of antioxidants and probiotics, this cleanser creates a luminous glow! Goji Berries fight free radicals while boosting collagen production making them a real skin superhero. Kombucha, a natural source of probiotics, helps skin maintain balance, reduces inflammation and leads to firmer feeling skin. A fruit extract mixture containing Strawberry and Raspberry boosts Vitamin C while helping to protect tissue from UV damage.

**Use a small amount with water to lather onto skin. Rinse well and pat dry.**

### CREAMY EXFOLIATING MOJITO CLEANSER RX | All Skin Types

A creamy, mild, non-soap based hydrating facial cleanser containing cold-pressed Lime Oil from sunny Florida! Mint Leaf keeps blemishes in check while acting as a gentle astringent and providing relief to minor skin irritations. Soothing

botanicals include German Chamomile and Cucumber extracts. Oat extracts and Jojoba Beads help to cleanse and exfoliate the skin, improving texture and minimizing the appearance of pores.

**Use a small amount with water to lather onto skin. Rinse well and pat dry.**

### BLUEBERRY PEEL RX | All Skin Types

Mild Mandelic Acid sets the stage for this organic fruit peel gentle enough for melanin-rich skin types. Combined with the enzymatic action of organic Pineapples and Papaya, dull skin is whisked away while cellular regeneration is encouraged. Blueberry seeds add a pop of polyphenol protection working to intercept environmental damage before it takes hold. Use this peel bi-weekly to encourage a fresh, even-toned complexion.

**On clean skin, apply to entire face and neck. Allow to remain on skin for up to 10 minutes as tolerated. Remove with a damp cloth, rinse well and pat dry.**

### ORGANIC BAKUCHIOL DESERT CACTUS SERUM RX | All Skin Types

Harness the protective powers of Desert Cacti with this adaptive organic serum containing the natural retinol alternative, Bakuchiol. Harvested from the deserts of North America, cacti plants have adaptive means of protection from the intense dry heat, UV radiation, and the damage that often comes with it. This blend of botanicals helps shield skin from the ravages of the environment while Bakuchiol gently stimulates regeneration of tissue so fresh glowing skin can be revealed. This serum is perfect for sensitive skin that needs a restorative boost with

a quench from Organic Aloe and Glycerin.

**Apply a thin layer to clean skin.**

### LEMON BALM GELEE RX | All Skin Types, especially sensitive

Organic botanical extracts provide antioxidant benefits to moisturize and soothe sensitive or blemish prone skin. Lemon Balm is a natural remedy that reduces redness and microbes while Licorice keeps hyperpigmentation at bay. Echinacea and Turmeric combined with Jojoba Oil moisturizes without clogging pores. Infused with precious wood oils such as Balsam, Sandalwood, and Copaiba, this ultra-light weight jelly-like lotion calms and brightens skin, naturally!

**Apply a thin layer to clean skin.**

### WATERMELON TOURMALINE EYE CREAM RX | All Skin Types

This beautiful cream gently melts into fatigued and delicate under eye tissue helping to soften and deeply hydrate skin. Watermelon, rich with red lycopene, delivers antioxidant benefits and protection against premature aging. Tourmaline Gemstones impart a shimmering radiance to the skin and help enhance microcirculation which can decrease puffiness. Lecithin is high in fatty acids that help replenish skin and restore moisture and suppleness. Together, these ingredients help to illuminate the eye area and decrease the appearance of fine lines and signs of fatigue.

**On dry, cleansed skin, apply a pea size amount under eyes dabbing gently until it is fully absorbed before applying other skincare products or makeup.**

## Medical Grade Post-procedure products

**Recovery Treatment Collection** – Help the skin recover post microneedling, injectables, laser treatments or chemical peels with after care products that boost the skin's self-renewal. Formulated to help MedSpas boost results and patient experience.

### REVIVE CREAM RX | All Skin Types, Especially Mature, Environmentally Damaged

Formulated as a companion to high tech MedSpa treatments, this restructuring cream delivers a powerful cocktail of actives that dive deep into the epidermis stimulating rejuvenation of the skin. Data shows an in vitro increase of Collagen and Elastin at 53% and 81%, respectively, by plant-derived Stem Cells. Growth Factors increase skin elasticity by up to 47% in 4 weeks. Peptides and red Marine Algae increase cell turnover while Ceramides and Fatty Acids form a protective barrier and are perfect for boosting moisture and stimulating repair. When you've tried the rest and are ready for the best, incorporate Revive Cream, ID Skin's most potent anti-aging formulation, into your daily skin care regimen.

*Apply a thin layer to clean skin. Use*

*as directed following procedures.*

### BRUISE RECOVERY GEL RX | All Skin Types, Especially Post Injection or Procedure

Growth Factors come to the rescue in this gel formulated to reduce the appearance of bruising, particularly post-treatment. Arnica, a botanical known for its anti-inflammatory effects, blended with Liposomal Vitamin K, Lecithin, and Glutamine reduce signs of swelling and minimize the appearance of redness helping skin to look its best.

*Apply anti-bruising gel post-procedure to affected areas. Use three times daily following procedures. Gently massage into area while bruising is present.*

### PEPTIDE RECOVERY MASK RX | All Skin Types, Especially Post Injection or Procedure

This Professional Grade sheet mask holds nearly 1 OZ of serum pumped full of active ingredients for maximum recovery results. The high-grade membrane keeps skin saturated ensuring that hydrating and plumping ingredients continue to remain active, creating an intensely moisturizing environment. B Vitamins, Niacinamide and Panthenol, improve skin tone and reduce the appearance of pores while Peptides increase the appearance of firmness and elasticity in the skin. Trusted by Plastic Surgeons and Medical Estheticians, this mask can be used as post-care for laser and other non-invasive treatments. Convenient to use at home or on the go with no need to rinse after sheet removal.

*Cleanse face. Remove mask from packaging and peel off outer layers and apply the mask evenly. Leave on for up to 45 minutes. Gently pat off extra serum. If needed, follow with a moisturizer.*

## Create Luscious lips and thicker looking lashes and brows

**Lip & Lash Collection** - Naturally transform the look of lips and lashes with these naturally based botanical extracts and ceramides.

### LIP PLUMPER RX | All Skin Types

This "must have" lip plumper contains two active ingredients that help to create volume in lips enhancing their appearance. Cinnamon flavored, universal tint.

**Use wand and apply onto the lips. Stay inside the lines and don't go over the lip line since you want only your lips to swell. For best results, use lip scrub prior to applying lip plumper.**

### LIP NECTAR RX | All Skin Types

This hard working moisturizing balm staves off cracked, dry lips. Meadowfoam Oil and Mahua Seed Butter condition while Sodium Hyaluronate helps to plump lips. Watermelon flavored.

**Using finger, spread balm over lips and rub lips together to spread evenly. Can be used multiple times per day.**

### LIP SUGAR SCRUB RX | All Skin Types

Jojoba and Coconut oils whipped with Mango and Shea butters create the base of this nourishing lip exfoliant. Sugar sloughs off dry skin while Bamboo stem strengthens and plumps leaving lips kissably smooth. Infused with Watermelon, a favorite quintessential summertime flavor that bursts with a cool, fun, and sweet taste.

**Apply exfoliating scrub to lips in a circular motion. Let sit for 1-2 minutes and then remove with a warm washcloth. Follow with lip nectar to maximize results.**

### LIP RECOVERY MASK RX | All Skin Types

This intense overnight lip treatment works to condition, soothe, and regenerate lips while you sleep. Antioxidants from Vitamin E protect against free radicals while Sesame Seed extract enhances adipocytes for a pout plumping effect. Indian Balmony has shown to fight fine lines around the lip blurring vertical creases and reducing lipstick bleed. Ceramides work to protect barrier function while Coconut Oil and Shea Butter nourish and hydrate so you arise with luscious lips.

**After cleansing, apply the mask and massage into skin and around lip area.**

### LASH & BROW SERUM

Halt hair loss and restore lush lashes and brows with this technologically advanced blend of science and nature using two active ingredients. Capixyl™, a combination of Peptide and Red Clover, targets the main cause of hair loss with improvements to the hair follicle in just 8 days of treatment. Redensyl® combines Larch and Green Tea extracts with an Amino Acid and Zinc producing a 214% increase in the hair growth rate after 10 days of treatment. Dense, strong hairs lead to full lashes and brows – naturally!

**Apply a thin layer to the upper lash line and eye brows of a freshly washed and dry face.**

# A full range of professional products designed to transform skin

**Professional Treatments** – Dedicated to the skin care professional for more than 20 years. Integraderm is a clinical-strength product line that estheticians depend on for results, and the products they recommend to clients at home.

## PEEL PRODUCTS

### Peel Prep

For use in disencrustation prior to chemical peel with or without steam. Removes keratinized buildup of cells. Allows loosened cellular debris to be easily removed.

### Neutralizer

Immediately stops action of acid treatments and restores the pH of skin to normal levels. This allows precise timing of treatments and ensures that residual acid is no longer active.

### Glycolic 30%

Results oriented glycolic peel; reduces the appearance of fine lines and wrinkles. Additional ingredients assist with skin lightening.

### Lactic 30%

For environmentally damaged skin, fine lines and wrinkles, acne, and

hyperpigmentation. Especially effective for sensitive or dry skin. May be used on rosacea, eczema.

### Mandelic Acid 30% Blend

Reduces pigment, clears blemishes, balances oil and gently exfoliates. Leave skin with a healthy glow. Good for all skin types.

### TCA-Hibiscus Peel

Treats aging and sun damaged skin. Improves skin tone, maintains elasticity and provides antioxidant benefits.

### Modified Jessner Fruit Acid Peel

AHA/BHA and resorcinol work together to reduce shallow wrinkling and scarring, help lighten hyper pigmentation and improve the overall appearance and health of sun-damaged, acne prone, aging skin. Improves the elasticity and elevates the moisturization of the skin.

## BOOSTERS

*Can be used after peel, before masking for additional benefit.*

### Moisture Boost

Enhanced skin plumping and hydration.

### Retinol Boost

Enhanced skin rejuvenation and collagen stimulation.

### Vita C Boost

Antioxidant and brightening.

### Clarifying Boost

Kills acne bacteria and improves the appearance of enlarged pores, uneven skin tone, fine lines, dullness, and a weakened skin surface.

### Growth Factor

The ultimate boost for skin rejuvenation, skin healing and regeneration.
