
LUMINOUS LIFT FACIAL PROFESSIONAL TREATMENT PROTOCOL

This protocol will add maximum cell turnover, hydration and oxygen to plump tissues and brighten appearance of the skin. The combination of exfoliating acids, oxygen and Vitamin C products will provide measurable results for mature, stressed or dull skin.

PROCEDURE

1. Purity Cleanser

- Apply Purity Cleanser to the entire face.
- Massage gently to cleanse to remove dirt, debris and makeup.
- Rinse with thoroughly with water.

2. Mandelic Blend Peel

- Apply Mandelic Acid Blend. Carefully apply to the skin, avoiding the eye area. Leave on for two to three minutes then wipe off. Thoroughly rinse with neutralizer.

3. Neutralizer

- Apply a neutralizer to the face (only where the peel was placed). It immediately stops action of acid treatments and restores the pH of skin to normal levels.

4. HA Peptide Serum

- Tripeptide-5 stimulates collagen production while B Vitamins niacinamide and panthenol calm skin, improve skin tone, and reduce the appearance of pores.
- Apply to clean skin, do not remove.

PRODUCTS

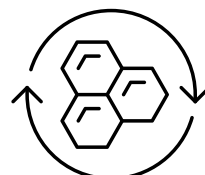

- Purity Cleanser
- Mandelic Blend Peel
- Neutralizer
- HA Peptide Serum
- Clarity Brightening Serum
- Magic Mask
- Timeless Moisture
- Sunscreen

LUMINOUS LIFT FACIAL PROFESSIONAL TREATMENT PROTOCOL

5. Clarity Brightening Serum

- Blending arbutin and kojic acid with peony and licorice root, promotes even skin tone by helping to suppress the appearance of dark spots. Both Vitamin B3 and C helps to repair and ward off sun damage. Brightenyl® attacks hyperpigmentation on three levels helping to suppress tyrosinase (decreasing melanin production), prevent UV-induced DNA damage, and reduce inflammation in the skin.
- Apply to clean skin, do not remove.

6. Magic Mask

- Contains perflourodecalin known for supporting wound healing due to its oxygen delivery system. In addition, hyaluronic acid, sodium PCA, and ceramides deeply hydrate, lock in moisture, and strengthen the skin barrier, promoting a plump, smooth, and resilient complexion.
- Apply a layer to the skin, avoiding the eye area.
- Remove until mask is gone.

7. Timeless Moisture

- Teprenone extends cell lifespan by more than 35% while Vitamin C helps to promote collagen formation and tighten skin. Watermelon extract promotes brightening helping to even skin tone while Irish sea moss to soothe irritation.
- Apply a thin layer to clean skin.

8. Sunscreen

- Apply a thin layer to clean skin. Pat method if necessary.

CONTRAINDICATIONS:

- Accutane use within one or two years (assessment made by physician)
- Anyone with a open sores, suspicious lesions, herpetic breakout (cold sores) or infectious disease.
- Pregnancy or lactation
- Do not treat over semi-permanent make-up.
- Alpha and Beta Hydroxy Acids can increase sun sensitivity. Sunscreen application is necessary.
