

## LUSH LIP INFUSION PROFESSIONAL TREATMENT PROTOCOL

Keep lips plumped, hydrated, exfoliated and restored. Exfoliate dead dull skin in and around the lips. Replenish with the Recovery Mask, followed with the choice of finishing with Lip Nectar or Plumper. The combination of exfoliation, replenishing and a luminous treatment will restore the youthful beauty of the lips.

### PROCEDURE

#### 1. Radiance Cleansing Oil

- This uniquely formulated product is composed of hemp seed oil, argan oil, jojoba oil, marula and tamanu oils along with a number of essential oils. containing an oil-based surfactant that lathers and clears away dirt and make up, combining the benefit of the oils and mild foaming.
- Dispense small amount into dry hands. Massage over dry face to dissolve makeup, surface oil and dirt. Wet hands and continue massaging to create a light emulsion, then rinse with water.

#### 2. Lip Scrub

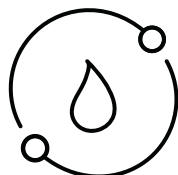

- Jojoba and coconut oils whipped with mango and shea butters along with sugar sloughs off dry skin while bamboo stem strengthens and plumps leaving lips kissably smooth.
- Apply exfoliating scrub to lips in a circular motion. Let sit for 1-2 minutes and then remove with a water.

## **LUSH LIP INFUSION PROFESSIONAL TREATMENT PROTOCOL**

---

### **3. Hydroboost Lip Recovery Mask**

- Vitamin E protects against free radicals while sesame seed extract enhances adipocytes for a pout plumping effect. Indian balmony has shown to fight fine lines around the lip blurring vertical creases and reducing lipstick bleed.
- After cleansing, apply the mask and massage into skin and around lip area.

### **4. Lip Nectar**

- Meadowfoam oil and mahua seed butter condition while sodium hyaluronate helps to plump lips. Vitamin E mends chapped skin for smooth, voluminous lips.
- Spread nectar over lips and rub lips together to spread evenly. Can be used multiple times per day.

### **5. Lip Plumper**

- Capsicum fruit extract creates a warming effect indicating that it is instantly stimulating the lips promoting natural circulation while Tripeptide-1 helps to create long term results for fuller, firmer looking lips. Sodium hyaluronate and jojoba oil lock in moisture for up to four hours.
- Apply a thin layer onto lips whenever hydration and increased volume are desired. Can be applied over lipstick or on bare lips. For best results, use once or twice daily.

### **CONTRAINDICATIONS:**

- Accutane use within one or two years (assessment made by physician).
- Open sores, suspicious lesions, or infectious disease (Always refer to a physician).
- Do not treat over semi-permanent make-up.
