

NECK AND DÉCOLLETÉ TREATMENT PROFESSIONAL TREATMENT PROTOCOL

Renew and firm the delicate neck and décolleté with this advanced treatment. AHA exfoliates to smooth and brighten, Vitamin C enhances collagen for a youthful glow, and firming peptides lift and tighten. Reveal radiant, supple skin for a refined, youthful look.

PROCEDURE

1. Glycolic Gel Cleanser

- Contains 10% glycolic acid and grapefruit peel oil. Vitamin A stimulates regeneration, coconut and sunflower seed oils lock in moisture, and pomegranate and noni provide antioxidant effects.
- Use a small amount with water to lather onto skin.
- Rinse well and pat dry.

2. Hero + Pads

- High potency of 10 acids exfoliate and visibly brighten the appearance of the skin. Poly hydroxy acids and traditional AHAs dissolve dead skin while delivering hydration and antioxidants.
- Effective exfoliation creates radiance, hydration, and luminosity while refining pores and diminishing the appearance of fine lines & wrinkles.
- Apply day and evening to cleansed skin.
- May leave on or rinse after 20 minutes as an intense treatment.

3. Vita A Pro Serum

- With two Vitamin A derivatives, this serum delivers more than double the strength of most retail retinoids. Contains Retinol and paired with Hydroxypinacolone Retinoate that works similar tretinoin (aka Retin-A®).
- Helps reduce oily shine and increase circulation while delivering powerful antioxidants.
- Apply a thin layer to skin.

4. Revive Mask

- This 3-in-1 mask exfoliates, tightens, and rejuvenates skin. Pineapple and papaya enzymes enhanced with lactic acid provide effective yet gentle elimination of dead cells. Retinol helps firm skin by stimulating collagen production reducing fine lines and increasing elasticity. Green tea, CoEnzyme Q10, and resveratrol are potent antioxidants protecting against environmental pollutants while Cranberry blunts breakouts.
- On clean skin, apply to entire face and neck. Allow to remain on skin for up to 10 minutes as tolerated.
- Rinse well and pat dry.

5. Neck and Decollete Firming Cream

- Tone and sculpt the neck and décolleté with this formulation using advanced firming ingredients Volufiline™ (Zhi Mu Root extract), Adifyline™ (Acetyl Hexapeptide-38), and Majestem™ (Edelweiss Culture extract). Chicory root contracts tissue instantly tightening skin and pores for a smoother, more refined complexion. Sacha Inchi oil, contains a very high amount of omega-3 fatty acids that have clinically shown to smooth skin, increase dermal density, and reduce the appearance of wrinkles.
- Apply a thin layer to skin.

6. Sunscreen

- Apply a thin layer to clean skin. Pat method if necessary.

CONTRAINDICATIONS:

- Accutane use within one or two years (assessment made by physician).
- Pregnancy or lactation.
- Open sores, suspicious lesions, or infectious disease.
- Alpha and beta hydroxy acids can increase sun sensitivity. Sunscreen application is necessary.
